## 50% less time from Nov

Exciting update for our members! The Samruddhi Expressway's final stretch from Igatpuri to Thane is set to be completed by October end, slashing travel time from Mumbai to Sarvpratham Complex by 50% by year-end. The expressway features a state-of-the-art 8km tunnel **bypassing Kasara ghat**, with a **speed limit of 120 km/h**. Already, it has halved travel time from Nagpur to Igatpuri, now taking just 6 hours from the earlier 12 hours. These developments promise to revolutionize connectivity and boost regional development significantly according to news reports on **Times of India**.

## Project Updates

- **Palm Hills** first 6 rows of villas are almost sold out and construction is in full swing. Now launching next two rows
- **Anandvann Phase 2** J tower is almost sold out and possession done. A new show flat for the final tower is ready
- **Highway Plaza**, construction is ongoing and ground floor work is starting
- **Community Center** is now ready
